MEMORANDUM FOR: Deputy Director of Central Intelligence
 SUBJECT: Termination of Agency Employees
 REFERENCE: Memo to DDCI from IG, dated 24 Feb 56, same subject

1. This memorandum returns referenced report for DDCI approval and submits an additional recommendation. Such recommendation is contained in paragraph 4.

2. I have discussed this report with the Director of Personnel and the General Counsel and we have concluded that the recommendations made therein can be adopted without foreseeable difficulty.

3. In elaboration of recommendation 2a of the report, concerning the use of the Director's special authority for terminations for administrative reasons, it is our view that emphasis should be placed on line, rather than Board, action in such cases. The use of the Board procedure may tend to encourage supervisors to evade their responsibilities in such cases by referring them to a Board for resolution. If proper line action has been taken, the ^{primary} ~~only real~~ purpose served by invoking the Director's authority is to foreclose those individuals who otherwise would have a right to appeal to the Civil Service Commission from so appealing. This right of appeal to the Civil Service Commission extends to those individuals who are entitled to veteran preference either on the basis of their own military service or of their relationship to a deceased or disabled veteran. Exercise of this right of appeal exposes the entire case to review by the Civil Service Commission with consequent danger of revealing intelligence sources or methods.

4. Accordingly, it is recommended that each proposed termination for administrative reasons, including mediocrity, be treated as a line action in accordance with the procedures contained in

25X1

The recommendation in paragraph 4 is approved *as amended.* (pwr/c)
